SUSTAINABLE LIVING - THE RIGHT WAY

- Leading the way in solar passive/sustainable design and building
- Individually designed homes to your budget
- Single and double-storey, townhouses and multi-unit developments
- Quality construction with personalised service
- All staff are HIA Greensmart Professionals

Right Homes is an award winning builder committed to creating great properties at an affordable price. We strive to be at the forefront of building homes that are solar passive, sustainable and energy efficient and construct everything from individual homes to unit developments, including double-storeys.

All current staff at Right Homes are Greensmart Professionals and are passionate about energy efficiency and demonstrating that high star ratings can be affordable.

Come and visit us at our new display office in Burswood, where our award winning service will provide you with a memorable building experience.

MULTI AWARD WINNING BOUTIQUE BUILDER (National and State)
